

CLTD

CERTIFIED IN LOGISTICS, TRANSPORTATION AND DISTRIBUTION

Prepare for your APICS CLTD Exam with Expert Guidance

The APICS Certified in Logistics, Transportation and Distribution (CLTD) provides a comprehensive body of knowledge, best practices and standards for those in logistics, transportation and distribution industries. Earning the APICS CLTD demonstrates expertise in streamlining and optimizing logistics, transportation and distribution including order management, distribution inventory management and warehouse management.

After earning your CLTD you will be able to:

- Improve distribution inventory management
- Develop and monitor warehouse performance metrics
- Identify and mitigate risk in logistics and transportation
- Manage and execute orders with an emphasis on logistics
- Identify and maintain optimal inventory levels including costs, controls and policy

INSTRUCTOR-LED COURSES

EXPERT LEADERSHIP AND GUIDANCE

Join a course with an experienced instructor

Our certification preparation courses utilize the APICS CLTD Learning System, giving you access to the most comprehensive, effective, and up-to-date exam preparation tools available.

BENEFITS OF AN INSTRUCTOR-LED COURSE

- Learn from an experienced instructor who provides expertise, insights, and one-on-one guidance
- Network, share experiences, and discuss topics with a diverse group of professionals
- Stay on track to earn your certification with a structured learning experience

In addition to the guidance you'll receive in the classroom, you will also receive the APICS CLTD Learning System. The Learning System provides access to both printed and digital materials. The online platform also includes learning activities, a personalized study experience, microlearning, and convenient access to reading materials.
