

APICS Certified in Logistics, Transportation and Distribution (CLTD) Learning System

This product is based on the APICS CLTD *Exam Content Manual (ECM)* developed by APICS. Although the text is based on the body of knowledge tested by the APICS CLTD exam, program developers do not have access to the exam questions. Therefore, reading the text does not guarantee a passing score.

The references in this manual have been selected solely on the basis of their educational value to the APICS CLTD certification program and on the content of the material. APICS does not endorse any services or other materials that may be offered or recommended by the authors or publishers of books and publications listed in this module.

Every effort has been made to ensure that all information is current and correct. However, laws and regulations are constantly changing. Therefore, this product is distributed with the understanding that the publisher and authors are not offering legal or professional services.

Technical Contributors to the SCOR Digital Standard

ASCM would like to extend our gratitude to the following subject matter experts for their technical contributions, time commitment, expertise, and passion to the continued development of the SCOR Digital Standard (DS). The development of SCOR depends on the support and input of SCOR practitioners, supply chain subject matter experts, and ASCM members. The following individuals have devoted time and effort to the development of the SCOR DS. We would also like to specially recognize the SCOR DS Facilitators for leading this update, as well as their task force volunteers who actively assisted throughout the SCOR DS 2022 update. Thank you!
